Part D – Calculation

Calculation options:

If this is your first fiscal year, use (a). If this is your second fiscal year, use the **greater** of (a) or (b). In other cases, use the **greater** of (a) or (c).

Tick one of the following boxes to indicate the **calculation option** you used to calculate your government funding:

- (a)
$$\frac{\text{Government funding for the **current** fiscal year}}{\text{Total revenue for the **current** fiscal year including government funding}} \times 100$$
- (b)
$$\frac{\text{Government funding for the **first** fiscal year}}{\text{Total revenue for the **first** fiscal year including government funding}} \times 100$$
- (c)
$$\frac{\text{Government funding for the **two** immediately preceding fiscal years}}{\text{Total revenue for the **two** immediately preceding fiscal years including government funding}} \times 100$$

To find your percentage of government funding, do the following calculation:

Government funding: \$ _____ ÷ Total revenue: \$ _____ x 100 = _____ %

Calculation is based on the financial statement for fiscal year(s) from:

Year	Month	Day	to	Year	Month	Day
