## Guidelines for Grants

- Preference is given to children who are being introduced into organized sport.
- Grants will not exceed a maximum of \$200 per calendar year.
- Grants to individual children are designed to address the financial obstacles that prevent children from participating in sport
- Grants may be used only for the payment of participant fees and/or mandatory personal sport equipment.
- Sport activities must be recognized by the member organizations of Sport New Brunswick.
- Children 18 years old and under are eligible.
- Travel to play-offs, championships, camps and equipment upgrades etc. are not an eligible expense.
- KidSport™ grants are not meant to replace existing recreation or social services funding for sport participation.
- The KidSport™ Fund will issue funds to a recognized sport organization on behalf of the child recipient or arrange for the purchase of equipment.
